Technology (NCST)**

International Conference for Youth in Africa 2012

**Factoring Youth Voices into Critical Issues:
Agenda on Environmental Sustainability, Climate Change Mitigation and Adaptation, Food Security and
Nutrition in Africa**

**Date: 9th -10th March 2012,
Venue: College of Agriculture & Veterinary Sciences,
University of Nairobi, Kenya**

This conference aims to establish a platform for Youth in Kenya and beyond to interact, build capacity, explore economic, social and technical complexities through science, technology and innovations in tackling the challenges, and to gain better understanding of the need for multi-disciplinary perspectives for solving developmental problems in Africa through innovative research.

Papers (extended abstracts not more than 1000 words in English, typed in font size 12) are invited from young researchers at undergraduate and postgraduate levels from diverse disciplines in agricultural, veterinary and biomedical sciences that will address the above sub-themes with interdisciplinary and trans-disciplinary approach.

The abstracts should outline aims, content and conclusions. It should include the title, author's name, affiliation, mailing address and telephone number. The appropriate sub-theme must also be indicated. A soft copy in Ms-word should be received by 24th February 2012 via email: youth4sti@uonbi.ac.ke

Conference Sub-Themes:

- ✚ Food and Nutritional Security
- ✚ Environmental sustainability
- ✚ Agribusiness and Value addition
- ✚ Policy, Gender, Education and Technology Transfer in Agriculture
